Service includes use of WM cart. A cart removal fee of \$75 per cart plus applicable taxes and charges including Fuel, will be assessed upon termination of services.

All prices are in USD and subject to applicable taxes and Administrative Charges (as allowed by law). You can avoid paying an Administrative Charge by signing up for Paperless Billing and Autopay. The monthly rate is subject to, and the discount does not apply to, Fuel, which fluctuates based on fuel prices at time of billing.
